Primary Timeblock	Monday-Friday	5 to 8 p.m.			

#### Club and High School Team Requests:

These timeblocks are tentative and may change. Attempts will be made to schedule all games within the timeblocks listed. Preferences will be taken into consideration, but cannot and will not be guaranteed. Games may be scheduled on only one day of a timeblock, or may be split between multiple days of a timeblock.

**During the registration process, it is best if teams inform the WWSC Scheduler of all conflicts prior to the registration deadline, and well before schedules are released.**

**Please Note: Time Blocks may shift and are subject to enrollment.** In the event that a specific age division has an odd number of teams by game days may be placed on a day other than the game days listed above. Youth divisions have priority over adult divisions.

**Registration Details:** Registrations are accepted on a "first come/first served" basis and only when accompanied by a deposit of \$300 or payment in full.

**Deposits are nonrefundable upon registration.** (Unless WWSC cannot form a division in a specific age group). Teams must have full payment to WWSC by the first scheduled game.

**Scheduling:** Schedules will be posted online on December 23.

**Age Requirements:** Coaches are responsible for making sure all players on their respective team(s) meet the age criteria for the division for which they were registered. Refunds will not be given, or transferred, if the team(s) were registered in the wrong age division.

**Season Begins: January 8**  
**Season Ends: April 1**
